

HVAC

Carrier
www.carrier.com
air-cooled, water-cooled, absorption chillers with scroll, screw, centrifugal, centrifugal with magnetic bearing options, heat recovery chillers, modular chillers, air handling units, custom air handling units, geothermal heat pumps, outdoor packaged units, dedicated outdoor air systems, air terminal units, air cooled condensing units, chilled beams, indoor self-contained systems, fan coil units, underfloor systems, and unit ventilators

Samsung
www.samsunghvac.com
variable refrigeration systems (VRF) and ductless split systems, heat pump & heat recovery, air cooled & water-cooled condensing units, max heat

RBI
www.rbiwaterheaters.com
condensing boilers, cast iron boilers, condensing water heaters, hot water storage tanks, custom boiler or hot water skids

Accutrol
www.accutrolinc.com
critical room & lab environments, airflow control valves, fume hood systems, room controllers, sensors, monitors, airflow measurement

Williams
www.williamscomfortprod.com
vertical fan coils, horizontal fan coils, vertical, air handlers, integrated piping system, and rooftop horizontal units

Swegon
www.swegon.com
energy recovery units, chilled beam systems including perimeter units and the award winning demand-controlled ventilation beams

Neptronic
www.neptronic.com
humidifiers: electric, gas, steam to steam, direct, evaporative, high pressure humidifiers, heaters: electric duct heaters, compact make up air units

Tamco
www.tampcodampers.com
damper industry leader, control, smoke, insulated, backdraft, face & bypass, multizone dampers

Haakon
www.haakon.com
largest custom air handling unit manufacturer in North America, serving: clean rooms, food/dairy, pharmaceutical, hospital, institutional, automotive,

Xetex
www.xetexinc.com
custom energy recovery ventilation units, custom dedicated outdoor air units, water-cooled and air-cooled packaged Units

Delta Cooling Towers
www.deltacooling.com
HDPE polyurethan cooling towers, antimicrobial cooling towers, packaged cooling systems, air strippers, degassifiers, air scrubbers

Therma duct
www.thermaduct.com
rigid outdoor ductwork system that offers high R-values and low air leakage

ChillMaster
www.chillmaster.net
modular chillers, heat recovery chillers, water source heat pump, air cooled chillers, surgical chillers, distillery/brewery chillers

Camfil
www.Camfil.com
modular dust collector, pulse cleaning, cartridge style, heavy duty construction

AcoustiFLO
www.acoustiflo.com
modular plenum fans ideal for new and retrofit applications. Typically 15% more efficient and 10-12 dB quieter in the first 4 octave bands than con-

Aerofin
www.aerofin.com
integral face & bypass coils, HVAC heating & cooling coils, and industrial heat transfer solutions

LTG Air Tech Systems
www.ltg.de/us/
air diffusers, induction units, trench convectors, trench fan coils, window sill fan coil units, flow rate control dampers, air process equipment

Boiler Room Systems

	<p><u>Victory Energy</u> www.victoryenergy.com watertube boilers, firetube boilers, heat recovery steam generators (HRSG), burners, and economizers</p>
	<p><u>RBI</u> www.rbiwaterheaters.com condensing boilers, cast iron boilers, condensing water heaters, hot water storage tanks, custom boiler or hot water skids</p>
	<p><u>KN Series</u> www.knseries.com built to last with the KN series cast iron heat exchanger, high efficiency boilers in a compact footprint, air to water inverter driven heat pump</p>
	<p><u>Unilux</u> www.uniluxam.com 5-pass, bent-tube, hot water or steam boilers, factory built or field erect, 25-year thermal shock warranty</p>
	<p><u>Hamilton Engineering</u> www.hamiltonengineering.com condensing boilers, condensing water heaters, hot water storage tanks, custom boiler or hot water skids, steam water heaters</p>
	<p><u>Oilon</u> www.oilon.com high efficiency burners from 150,000 Btu to 300 MMBtu, used on watertube boilers, firetube boilers, and larger condensing boilers like gasmaster</p>
	<p><u>Lockwood Products</u> www.lockwoodproducts.com tray deaerators, spray deaerators, boiler feed systems, condensate return systems, and blowdown separators, pump skids</p>
	<p><u>Siemens</u> www.siemens.com SCC—linkageless burner management systems, gas trains, control panels, actuators, level controllers, Pressure Switches</p>
	<p><u>Spence</u> www.spenceengineering.com steam specialties including pressure reducing valves (PRVs), traps, safety relief valves, control valves, desuperheaters, and strainers</p>
	<p><u>Schebler</u> www.scheblerchimney.com condensing boiler and specialty gas venting, generator exhaust, grease ducts, engineered stacks</p>

Commercial/Industrial Systems

	<p><u>ELGi</u> www.elgi.com oil lubricated rotary screw air compressors, oil-free screw compressors, two-stage reciprocating</p>
	<p><u>Kaishan</u> www.kaishanusa.com belt driven, rotary screw, gas air compressors, air compressor dryers, industrial vacuum pumps, air receiver tanks, compressed air filters, steam expanders, orc power generation</p>
	<p><u>Kobelco</u> www.kobelcocompressors.com screw gas, oil-free, oil injected screw compressors, centrifugal, reciprocating gas compressors, standard screw air compressor</p>
	<p><u>Hankison SPXFLOW</u> www.spxflow.com/hankison refrigerated compressed air dryers, desiccant compressed air dryers, breathing air purifiers, air filters, membrane compressed air dryers, condensate management, accessories.</p>
	<p><u>Camfil</u> www.camfil.com modular dust collector, pulse cleaning, cartridge style, heavy duty construction</p>
	<p><u>Medical Air & Gas</u> www.aerofin.com NFPA 99 compliant medical air and gas equipment. Laboratory and industrial oil-free compressed air and vacuum systems, reciprocating and scroll air compressors and claw and vane vacuum pumps</p>
	<p><u>ecom</u> www.ecomusa.com best in class flue gas analyzers for boilers, generators, and other large burners</p>
	<p><u>Critical Fuel Systems</u> www.criticalfuelsystems.com fuel oil filtration, day tanks, pump sets, controls, and accessories</p>
